

The Airdrie Christian Program at R.J. Hawkey School
Parent/Guardian Covenant

R.J. Hawkey School is an inclusive learning environment where all students are welcomed and included each and every day. Each child is God's unique creation and our program is designed to develop the whole child – spiritually, intellectually, emotionally, socially and physically. The goals of our program align with the teachings of the bible to promote love, obedience, character development, service and stewardship of one's time, talents and spiritual gifts.

The partnership between home and school is an integral component of the Airdrie Christian Program at R.J. Hawkey School. This relationship is strengthened and achieved when parents, school staff, and students each support the vision and mission of the school. Our program at R.J. Hawkey is an inter-denominational faith based program where Christianity is embedded in the Alberta Program of Studies where applicable. Devotions, Chapels, and formal Christian studies are used to encourage students to build an active, growing relationship with Christ. Understanding the foundations of our program and the commitment to this partnership is vital for a strong connection between home and school.

We ask that you commit to this partnership each year as we venture into our learning journey together. By signing this covenant, you commit that the attitudes and actions of your student and family align with the goals of our program. If a situation arises where our goals do not align, administrators and parents will meet to evaluate the suitability of the student's placement in the school.

I hereby acknowledge that I have read, understand and agree fully with this Christian Education Partnership, Mission and Vision Statement, and Statement of Faith for the Airdrie Christian Program at R.J. Hawkey School and agree to uphold and support them. I am confident our partnership with R.J. Hawkey is the right educational fit for my family.
