## 2023/24 School Education Plan At-A-Glance

---

## This Year We Worked On:

- Small group instruction in literacy and numeracy to increase students' skills.
- Increasing student's sense of community and belonging through service projects

## You Can Help By:

- Continue to read with and practice basic math facts with your children at home daily.
- Talk with your children about how they can serve their school and the wider community.

## Next Year You Can Look Forward To:

- Continued work and focus on building our students' literacy and numeracy skills.
- Increasing students' connections to our school community.
- Continued focus on our PBIS lessons of being safe, caring and responsible.
